Thank you for choosing Discovery FCU

*APR = Annual Percentage Rate. APR current as of 03/01/2021 and subject to change at any time without notice. Your rate may be higher than the lowest advertised APR. APRs are based on your creditworthiness, term of loan, amount of loan, direct deposit to a Discovery FCU account and electronic payments from your Discovery FCU account. Other terms and conditions apply based on the type of loan you establish. Advertised HELOC APR applies to minimum advance of \$10,000, a loan-to-value ratio of 80% for a primary residence located in PA. Introductory rate of 0.99% APR will be in effect for six (6) billing cycles from credit line open date. After the discount rate expires, the line is subject to a variable rate which is based on the highest Prime Rate as published in the Money Rates section of The Wall Street Journal in effect on the expiration of any introductory rate period, and subsequently, on the last day of each month ("index") plus 0% ("Margin"). The index plus the Margin equals the Interest Rate. Your Interest Rate will never be less than 3.50%. As of 03/01/2021, the Prime Rate was 3.25% APR. Property insurance is required. PA residences only. All lines of credit are subject to approval and collateral evaluation. Fees and charges may apply. **Discovery FCU will pay up to \$300.09 in processing fees including appraisal, flood determination, property search, mortgage documentation preparation and recording fees. To be eligible to receive a \$100.00 Gift Card, you must be a Discovery FCU member in good standing and finance \$10,000 or more in new money with a fixed rate home equity loan or home equity line of credit. HELOC minimum initial draw of \$10,000 is required at time of loan opening. Limited time offer while supplies last or until May 31, 2021.
