Discovery FCU Skip-a-Payment Terms and Conditions

By completing a Skip-a-Payment form you are requesting Discovery Federal Credit Union to advance your loan due date. You understand that the current balance of the loan is extended by the amount of the payment(s) skipped and that interest will continue to accrue on your loan balance throughout the deferred payment period, which may further extend the term of your loan. If there is more than one borrower on a loan, only one borrower is required to authorize a Skip-a-Payment request.

In order to request a Skip-a-Payment, all credit union accounts (deposit and loans) must be in good standing and requests must be submitted at least five business days prior to next loan due date. Most payments and loan terms are advanced automatically, however certain adjustments are made manually and changes may take time to be reflected properly. Skipping your payment(s) on an auto loan with GAP Insurance may affect the coverage calculation in the event of a total loss. Certain additional restrictions may apply and Discovery FCU reserves the right to deny any Skip-a-Payment.
